

Non-Medical Limits and Examination Requirements

To determine the underwriting requirements, add up the total amount of coverage applied for on this application including term riders plus other insurance in force with Assurity Life within the past two years. Exclude group insurance.

When you conclude the proposed insured's application process, make arrangements to schedule the underwriting requirements.

On juvenile insurance (ages 0-16), the parent(s) must carry twice the child's current in-force coverage plus the applied-for amount.

Note: These limits are subject to change at any time. Assurity reserves the right to require a medical exam and/or other medical requirements on any proposed insured.
