## Introducing The Hottest New Insurance Forum, [www.RosenthalFiles.com](http://www.RosenthalFiles.com)

Are you tired of continuously having new prospecting ideas, and lead sources forced on you to only find out that they are a bust? Do you wish you could get some advice from people who have been in the Insurance business a while, and know how to help you increase your sales? Would you like to have a resource that would help teach you everything from prospecting, to closing techniques, to how get more referrals?

Well then look no further than [www.RosenthalFiles.com](http://www.RosenthalFiles.com)! Rosenthal Files is a new Insurance Forum aimed towards helping Insurance professionals just like you grow their business.

On the forum you will get advice about how to do just about anything from getting new prospects, to how to do a presentation, to how to gather referrals, to what common mistakes agents make that you should avoid. You will find agents who have tried different lead sources that are willing to share their experiences with you (both good and bad). Agents will share with you the very best ways to get organized and stay organized. Basically, you will have access to advice about anything Insurance related from some of the top experts in the industry!

You'll find that the Insurance Forum isn't just a way to learn how to make more money, but you'll also find ways to save money! For example you can purchase online continuing education classes for just \$10! People on the Rosenthal Files can purchase \$1,000,000 E&O coverage for just \$46.25 a month! Plus you will learn how to get discounted to even FREE leads, just for writing a review on how you did with the leads. There are just so many ways to save money I can't list them all, you'll just have to see for yourself!

In addition, you will be astonished by all the training videos and audio files available! In them everything will be covered from specific products, to how to find new how owners, to how to sell Critical Illness and Disability Insurance. Simply put, you will be glad you took the time to watch the tapes, and listen to the audio files.

Plus there is a lot more to discover, that will help you grow your business! So what are you waiting for? Go to [www.RosenthalFiles.com](http://www.RosenthalFiles.com) today, to find what you've been missing!
