Special Notes about Personal History Interviews on these products:

We require Personal History Interviews on all Applicants applying for Total Protection Series III EIWL, Deluxe and Premier plans, *regardless* of face amount. You have two options to accomplish these PHIs:

Option 1: We ***strongly*** suggest that you, the agent, initiate a point-of-sale (POS) interview from your client's home by calling **866-333-6557**. Tell the operator this interview is for UHL or UFFL and the Total Protection Series EIWL (graded benefit), Deluxe or Premier plan and hand the phone to your client. During the interview, the interviewer will conduct MIB and Prescription Drug searches to better determine your client's suitability for the product you've selected. Upon completion of the interview and based on the client's answers to the questions and results of the database searches, the interviewer will tell you whether or not the application should be sent to the Home Office. The advantage to you is to ***Know Before You Go*** whether this application has a good chance to be issued.

Option 2: If you want UHL or UFFL to order the PHI after you've completed the application with your client, indicate on the application's **NEW BUSINESS MEMO** cover page, the best time to reach your client; and, check the box to tell us you *did not* complete a POS PHI with your client.
